

A36118N UV Inkjet Lamps

Our A36118N offers a cost effective alternative to OEM product. Typically used in certain Gandinnovations, Gandi printers, our lamp offers high UV output, USA manufacture and predictable life.

Today's shrinking margins mean running a lean business is no longer an option. As businesses have adapted to tightening economic conditions, terms lean manufacturing and lean business processes have become commonplace. TCS Technologies provides reliable substitute for Gandi OEM lamp. This combined with our Gandinnovations quartz plates certainly can help facilitate a stronger ROI.

You have placed a large investment in digital printing. We have helped numerous manufacturing and printing companies to better manage their technology investment. Let us help attain your goals of success and growth with cost-effective Gandi replacement digital printing lamps.

Remember, in most cases, buying a lamp from the OEM does not mean you get a better quality part. TCS Technologies provides an equivalent UV bulb made in America at a fraction of the cost.
