

7504A8CMH-390 UV Inkjet Lamps

Popular UV inkjet lamp used in several EFI Vutek printers. Lamp is long lived and cures most ink-jet inks.

Today's shrinking margins mean running a lean business is no longer an option. As businesses have adapted to tightening economic conditions, terms lean manufacturing and lean business processes have become commonplace. TCS Technologies provides reliable substitute for EFI Vutek lamp. This combined with our quartz plates certainly can help facilitate a stronger ROI.

You have placed a large investment in digital printing. We have helped numerous manufacturing and printing companies to better manage their technology investment. Let us help attain your goals of success and growth with cost-effective EFI Vutek replacement digital printing lamps.

Since 1979, we have manufactured quality UV curing lamps right here in the USA. No order is too small and we ship worldwide. Our lamps are reliable and backed by 32-years of lamp-making excellence.

The key difference between an OEM part and that provided by TCS Technologies is the distributor of the part. Inkjet manufacturers do not fabricate UV lamps themselves. TCS Technologies actually manufactures the lamps we sell. Just because a lamp is from a second source does not mean inferior quality. Our lamp quality is equal to or greater than the OEM. You receive the same quality product at a fraction of the cost.
