

P4600A UV Inkjet Lamps

Used in several EFI Vutek printers, the P4600A is a popular UV inkjet lamp. Our lamp offers reasonable life and cures most ink-jet inks.

In today's economy, running a lean business is no longer an option. As businesses have adapted to tightening economic conditions, terms lean manufacturing and lean business processes have become commonplace. TCS Technologies provides reliable substitute for EFI Vutek lamp. This combined with our Vutek series of quartz plates certainly can help facilitate a stronger ROI.

You have placed a large investment in digital printing. We have helped numerous manufacturing and printing companies to better manage their technology investment. Let us help attain your goals of success and growth with cost-effective EFI Vutek replacement digital printing lamps.

Since 1979, we have manufactured quality UV curing lamps right here in the USA. No order is too small and we ship worldwide. Our lamps are reliable and backed by 32-years of lamp-making excellence.

Keep in mind, just because a lamp is from a second source does not mean inferior quality. TCS Technologies actually manufactures the lamps we sell. We are not a reseller of Chinese lamps. Our lamp quality is equal to or greater than the OEM. You receive the same quality, USA-manufactured product at a fraction of the cost.
