TCS Technologies produces several replacement UV curing lamps for use in Dymax equipment. **Typical lamps include:**

36970
38560
35008

Compare curing performance and price; you will see why TCS Technologies' curing lamps compares favorably to OEM bulb.

- Our lamp is directly interchangeable with Dymax OEM product

- Our lamp is fabricated from the finest USA quartz and components
- Our lamp operates the same power level as OEM product
- Our lamp cures at the same rate
- Our lamp costs less

Purchasing a lamp from the OEM does not guarantee you get a better quality part. TCS Technologies provides an equivalent UV bulb at a fraction of the cost
