

UV Lamp For Iwasaki—EYE Graphics

EYE Graphics (Iwasaki) manufactures a complete line of air and water cooled UV curing systems. Assemblies are available for web or conveyor. They offer water cooled lamp jackets that filter out visible light while reducing infrared transmission.

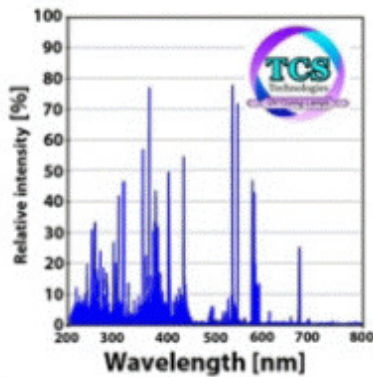

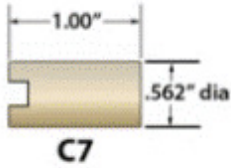

TCS Technologies produces a diverse lamp line for use in EYE Graphics equipment.
Lamps include:

H03-L31	H04-L41	M036-L31
M03-L31	M04-L41	M06-L31
M048-L41	H048-L41	M015-L312
M144-L41	H216-L61	3K06-8
M03-L21	M03-L41	M04-L32
M04-L41C	M04-L41R	M048-L41-25
M06-L41	M06-L61	M072-L61
M075-L51WB	M08-L41	M096-L41
