

## UV Curing Lamps For Amergraph

It is our understanding that Amergraph and HID Ultraviolet are one in the same. Amergraph produces a varied line of exposure equipment for screen-printing and litho. TCS Technologies provides replacement lamps for most Amergraph equipment. Specific details can be found under the **Screen Exposure lamps** button on this website.

**Exposure lamps include:**

TCS-10431	1200 watt
TCS-10266A	3000 watt
TCS-10265	7500 watt
TCS-10700	7500 watt
