

UV Curing Lamps For Prime UV Equipment

Another well-established UV curing equipment manufacturer, Prime UV offers a full array of equipment for the forms, offset and newsprint industries. You can keep your system functioning at maximum efficiency by using our line of Prime UV-style curing lamps. We manufacturer a complete line of American-made ultraviolet curing lamps for use in Prime UV equipment. Quality is identical to OEM bulb at a fraction of the cost. The vast majority of our Prime UV style lamps are priced under \$135.00.

When you compare curing performance and price; you will appreciate the value offered by TCS Technologies. **Here is a partial list of Prime UV-style lamps we manufacture:**

Purchasing a lamp from the OEM does not guarantee you get a better quality part. TCS Technologies provides an equivalent UV bulb at a fraction of the cost.

Since 1979, we have manufactured quality UV curing lamps right here in the USA. No order is too small and we ship worldwide. Our lamps are reliable and backed by 32-years of lamp-making excellence.
