

## UV Curing Lamps For Singulus Equipment

Singulus Technologies equipment is responsible for almost 50% of CD/DVD worldwide production. Their replication lines utilize high powered UV curing. These include Skyline, Duplex, Spaceline, Spaceline II and Spaceline II/Blueline

Our lamps are directly interchangeable with the Singulus OEM bulb. You receive the same quality, USA-manufactured product at a fraction of the cost.

Compare curing performance and price; you will see why TCS Technologies' curing lamps compares favorably to OEM bulb.

- Our lamp is directly interchangeable with Singulus OEM product
- Our lamp is fabricated from the finest USA quartz and components
- Our lamp operates the same power level as OEM product
- Our lamp cures at the same rate
- Our lamp costs less

TCS Technologies manufactures replacement ultraviolet curing lamps for all Singulus machines. ***Lamps manufactured include:***
