There are simply too many variations of UV curing lamps: hence it is impractical to list each lamp we manufacture. Many of these lamps are not equipment specific. We categorize these lamps as miscellaneous. Just because your lamp is not listed does not mean we have not made it. Dealing with TCS Technologies is easy. We are no-pressure, open and honest in our business dealings. There is no minimum order and we ship worldwide. We are proud of our products, proud we offer American-made ultraviolet lamps that compete with offshore bulbs. Once you try our UV curing lamps, you will soon discover the quality and value we offer
